About Me

Hello! I'm Ashini, a Software Engineer based in Sri Lanka.

I enjoy creating things that live on the internet, whether that be websites, applications, or anything in between. My goal is to always build products that provide pixel-perfect, performant experiences.

Shortly after Advanced Level from Sanghamitta College in Galle, I started to follow the Graduate Diploma in Software Engineering at IJSE, Galle, Sri Lanka.

W.M.Ashini Tharu Mamoda

No.3/40,
2nd Lane,
Madapathala,
Galle,
Sri Lanka.
